Stillwater Foundation

As a locally based non-profit agency, Stillwater Hospice relies on the generosity of the community, which helps underwrite the cost of our services such as grief support, music therapy, staff education and our Peggy F. Murphy Community Grief Center, and provides ongoing funding for Hospice Home. Charitable support through The Stillwater Foundation has been and always will be vital to assuring that anyone in our community receives our care, regardless of their ability to pay. To make a difference in the lives of Stillwater Hospice patients and families, consider making a gift to the Stillwater Foundation.

Honoring Your Loved One

Our remembrance walkways and gardens are dedicated to celebrating the memories of those who are gone from our sight, but not from our hearts. Families and friends can honor a loved one by donating an engraved brick to be installed along our walkways or in our Hospice Home Seasons of Life Garden. When you choose to remember your loved one with a memorial gift, you are also helping Stillwater Hospice continue our 138-plus years of caring for northeast Indiana residents with serious illnesses. Besides being a tangible way to remember your loved one, which you are welcome to visit at any time, your memorial gift makes a difference in our ability to provide much-needed care for those in the region facing life-limiting illnesses. Your gift will ensure that our legacy of caring will continue into the future. Stillwater Hospice is a non-profit organization, and your donations are fully tax deductible. Learn about more giving opportunities by calling (260) 435-3207 or by visiting stillwater-hospice.org/donate.
