

Our 2nd annual Water Lily Women's Luncheon will be held on May 1, 2024 from 11:30 a.m. - 1:00 p.m. at the Mirro Event and Conference Center. This all-women's luncheon will help raise funding for and awareness of Stillwater Hospice's palliative, hospice, and grief support programs while recognizing the important role that women play as caregivers, employees, and advocates for our organization.

Our program will focus on the faces and stages of caregiving. As women, we care for our children, parents, spouses, and friends, often failing to pour back into ourselves. Through this luncheon you will learn more about how Stillwater can support you when serious illness occurs, or when you suddenly lose a loved one and you don't know where to turn.

We have several sponsorship levels for your consideration and would love an opportunity to meet with you, answer any questions you may have, and hear about your Stillwater Hospice story. Please join us in celebrating and recognizing, not just our women and caregivers, but YOUR female workforce. We hope you will partner with us through sponsorship support to recognize ALL the women in your life.
